### A Question.

This is likely to be about as trying a week as King George will experience in his reign; he will have to do so many things which it seems to him might be omitted.

Mr. Editor: Will some member of the city council put the public right on one point, preferably Councilman Enerry? With the following members of the council laker. Williams, Mc-Larghlin, Lang and Beckley, voting against the Dr. Lewis appearment, The democrats think it does not make any difference who the republicandidate for president is in 1912. This is their natural feeling at this stage of the game.

When it comes to spiral gliding the

THE BULLETIN'S DAILY STORY

## WHILE SHE WAS AWAY

"It is glorious to have you home egain, sweetheart," said Everett to his regard, sweetheart, said Everett to his round station.

"The best part of going away is the coming home," replied Mrs. Everett, "Didn't you miss me at all? Your letters gave such glowing accounts of the way you got along without me that I was tempted to stay another week."

"Oth, we managed all right. But aren't you satisfied with your three weeks' visit at your mother's? You hook so well."

"Yes, I'm feeling well and strong again, Jack, mother is Simply a wonder, She never worries or frets about anything and I'm going to foliate the property of the right idea. You remember how the proverb goes. Never trouble trouble until trouble trouble you. It is an excellent rule."

"How are the children?" asked Mrs. Everett, as she besned back in the carriage, and, gazing fordly at her hasband, noticed for the first time how carreworn he looked.

"Corinne and Frederick have gone to your sister Lulu's house of a few days."

"Method for the first time how carreworn he looked."

"Corinne and Frederick have gone to your sister Lulu's house of a few days."

"Method for the first time how carreworn he looked."

"Corinne and Frederick have gone to your sister Lulu's house of a few days."

"Method for the first time how carreworn he looked."

"Corinne and Frederick have gone to your sister Lulu's house? Why?"

"Method for the first time how carreworn he looked."

"Corinne and Frederick have gone to your sister Lulu's house? Why?"

"Method for the first time how carreworn he looked."

"Corinne and Frederick have gone to your sister Lulu's house? Why?"

"We married of sustenance."

"Julia's house? Why?"

"We married and frederick have gone to your sister Lulu's house? Why?"

"We married on the house wall and they have been dead in the property hing was a dreadful books."

"The seats were all right as long as the cook cooked them. But one days have the property and had to be take for her ballowed."

"How were the presiles to the wast of the property and had to b

ing reminds me of watered silk. Julia was very much distressed that she for-got to pack away your fur coat, as you "He's going out tomorrow, We had a trained nurse." "Such expense, just for the measles!
Was the nurse young and pretty?"
"Not exactly young and pretty.'
answered Everett, guardedly, "but very capable." Was the nurse young and pretty?"

"Not exactly young and pretty."

answered Everett, guardedly, "but very capable."

"I don't suppose Corinne has practiced her music while at Lulu's, as Lulu has no planno."

"She couldn't practice anyway She

Lulu has no pinno."

"She couldn't practice anyway. She cut her finger."

"How? Is there any danger of blood poisoning!"

"None whatever. The children want-

"How? Is there any danger of blood poisoning!"

"None whatever. The children wanted to earn some money, so they had a lemonade stand in front of the house. Your sewing table wasn't quite stendy and when it came down all the glass was cracked and broken. Corinne in altempting to save it cut her finger on the pitcher."

"Not the cut glass pitcher that Aunt Mary gave us for a wedding present?"

"Exactly so! Aunt Mary happened to come the next day and she vented her anger on little Frederick by insisting that he take a bath before she left. Possibly he needed it more than "Chicago News."

"Edith, how can I tell you about Toby? You'll be so shocked," said Everett.

"Tell me the worst immediately! Did he bite any one?"

"No, but he was run over by an automobile yesterday. We buried him back of the pansy bed.

"Toby killed? How horrible!" cried Mrs. Everett, wringing her hands in dismay. "Kind, gentle Toby, that looked after the children and was best watchman we ever had! What shall we do without Toby?"

"We'll miss Toby, all right, my dear, vet we can do without him," said her husband. "Eut you see we can't do without you."—Chicago News.

### BIG AEROPLANE.

Being Constructed in Bridgeport-Backed By Unlimited Capital.

Backed by unlimited capital furnished by Congressman James H. Mc-Dermott of Chicago and Washington, says the Bridgeport Farmer, a Bridgeport inventor, John Murphy, of 279 Brook street, is bringing to completion at the factory of Topping & Kerr at 44 Union square, a huge aeroplane, capable of carrying four passengers, which will be entered in the New York to San Francisco flight for \$50,000.

A flight over Bridgeport some time next month: a four-passenger flight

The same and safe Fourth of July campaign is on, and with the aid of legislation with reference to the sale of explosives a great deal of good has been accomplished.

We understand there is a same and safe spirit at work in Norwich for the set but are said to clothe a source row. power, safety and endurance. While it contains a number of great improve-ments, it is by no means a "freak" machine. Its inventor has studied the machine its intention has state the aeroplane question for years: has carefully reasoned out the faults and objections of every successful type of aeroplane and has attempted to build another in which all of these faults and objections are overcome.
Within a few days the two 70 horsepower motors for this enormous aeroplane will arrive in Bridgeport.

> STEAM TRAINS FOR ROCKVILLE. Electric Service Between Passenger Station in That City and Burnside

> Temporarily Discontinued. The Connecticut company has issued the following notice regarding chan-ges on the trolley line between this

and Rockville. city and Rockville.

Owing to the work of reconstructing overhead wires and remodeling sub-stations at West street and Bucksub-stritions at West street and Buck-land, it will be necessary to discon-tinue the operation of electric cars between Burnside and Rockville for a period of about ten days. During that time, cars will be operated between Burnside and Rockville passenger sta-tion, with steam engines.

Danbury.—Arcanom day, or the 24th anniversary of the founding of the or-der of Royal Arcanom, will be observed by Danbury council, Royal Arcanom, in Samaritan hall Wednesday evening. June 31. The anniversary falls on June 23.
